ABWM
Foundation

The ABWM Foundation has named June as Wound Healing Awareness Month (WHAM). This month is meant to recognize the challenges experienced by individuals whose lives are affected daily by chronic wounds and to bring awareness to the general public of the support given by certified wound specialists.

Please contact Amanda N. Thaxton, Associate Director of the ABWM Foundation, at athaxton@abwmfoundation.org if you need additional information or if you would like to purchase WHAM posters.
